## SPLENDID BILL AT ORPHEUM THEATER

Charles Chaplin Cuts Some  
Comic Capers and Fine  
Dramas Are Shown.

The bill at the Orpheum today is  
said by the management to be one of  
the best this popular theater has pre-  
sented to the public. Charles Chaplin,  
celebrated comedian, does some funny  
stunts that amuse all. This popular  
comedian visits the Orpheum three  
times a week and this playhouse is  
packed to the doors with movie fans.  
Vivian Rich and an all star cast pre-

"The Slim Princess," of which special  
mention is made in an advertise-  
ment elsewhere in today's Telegram,  
is the top piece on the Bijou screen to-  
day. There are four reels of pleasure

a solid hour of pure fun. In addi-  
tion to it, "The Easterbrook Case," a  
three-part Broadway production, is  
shown. The mystery of the case is  
baffling, the innocence of the convicted  
man and his consequent happiness are

"The Girl and the Rose" musical  
comedy company now playing at the  
Palace, drew two capacity audiences  
last night to witness "Just Out of  
Paris," a play built for laughing pur-  
poses only. Eddie Smalley as "Schultz" and Nat  
Wilson as "Heinz" proved their ability  
as comedians above the average.  
These two characters have been en-  
gaged in vaudeville during the last  
winter and are now playing a summer  
engagement in musical comedy pre-  
vious to returning to one of the big  
eastern vaudeville circuits.

a delightful manner and her musical

artists. Have you ever wondered what  
the thoughts and feelings of a man  
about to die unjustly for a crime must  
be? If we knew capital punishment  
would probably be abolished. See  
this one. It's unusually interesting.

Rumley has some good parts in the  
play and "feels" the principal comedi-  
ans with plenty of opportunities for  
comical situations. The chorus makes  
a neat and pleasing appearance and  
uses an excellent wardrobe. A new  
bill will be presented Friday and Sat-  
urday including a program of special  
feature pictures.

Frederick Ballard's play, "My Dog,"  
is written around a vagabond and his  
canine chum. It is to be produced  
by Cohen and Harris next season.

The "Famous French Follies" com-  
pany put on another good show at the  
Odeon theater yesterday when it pre-  
sented for the first time in this city

stars, are responsible for the big crowds attending the Bijou theater today.  
They are appearing there this afternoon and tonight in George Ade's com-  
edy success, "The Slim Princess." It is not only a splendid comedy, but  
is clothed in magnificent oriental splendor. Elsie Jank first starred in the  
play in dramatic form.

## THE HOME OF THE PIPE ORGAN

The musical comedy piece, "Turning the  
Tables," The comedy of the play is  
very good and handled by capable

"Famous French Follies" Musical  
Comedy Company at the Odeon

comedians. The musical numbers are  
all new and put over in good style.  
There will be a change of perform-  
ance tomorrow and the offering for  
Friday and Saturday will be a rural  
musical comedy, "Who Are You?" This  
show will be entirely different in every  
respect from the other two presented  
by this company.

The pictures for today are a Vita-  
graph comedy, "Cupid Puts One Over  
on the Shatchen," featuring Wally Van;  
an Edison drama entitled "Jack  
Kennard, Coward," and a Biograph  
comedy, "Love in an Apartment Hotel"  
featuring Blanche Sweet and Mae Marsh.

Harry Myers and Rosemary Theby,  
the Victor stars, have produced an-  
other film comedy called "The Rem-  
edy," which promises to outdo "Baby,"  
"Mumps" and "A House of a Thousand  
Relations." We shall see.

There is an unusual and sensational  
picture play offering today at the Rob-  
inson Grand theater, a notable Fox  
production, "The Clemenceau Case," by  
Alexandre Dumas, with Theda Bara,  
the vampire woman of Paris as the  
star. In "The Clemenceau Case" Du-  
mas has attained the capstone of his  
towering genius. Of 12, the panther-  
ish heroine of this deathless drama,  
he himself wrote: "I shall never  
create such character though I  
scribble until doomsday."

Friday a Paramount production  
will be offered. Jesse L. Lasky will  
present Dustin Farnum in the fasci-  
nating southern romance, "Cameo  
Kirby," by Booth Tarkington and  
Harry Leon Wilson a drama show-  
ing that hearts are trumps. This as  
a play was originally produced by  
Lieber and Company and had a very  
successful run in New York City at  
the Hackett theater. It is claimed by  
the Paramount organization to be as  
good as any release it has sent out  
to exhibitors and a great deal more  
interesting than the original play.

De Wolf Hopper is to be seen in  
screen productions of his prominent  
successes, among them being "Wang,"  
"The Merry Wives of Windsor" and  
"Panjandrum."

It is said there will be more Eng-  
lish actresses here next season than  
ever came before, as the war times  
are closing the London theaters. One  
of the well known English stars, Mar-  
tin Harvey, is to make a tour here  
with a repertoire including "The  
Treshams," by John  
Rutherford.

Lloyd V. Hamilton, who appears as  
"Ham" in the famous Kalem photo-  
play comedies, desires to inform the  
thousands of photoplay fans, who have  
written and asked him the question.

There is more Catarrh in this section of the  
country than all other diseases put together, and  
until the last few years was supposed to be  
incurable. For a great many years, doctors  
prescribed it a local disease and prescribed local  
remedies, and by constantly failing to cure with  
local treatment pronounced it incurable. Science  
has proven Catarrh to be a constitutional disease,  
and therefore requires constitutional treatment.  
Hall's Catarrh Remedy, manufactured by J. J.  
Cheney & Co., Toledo, Ohio, is the only Constitu-  
tional cure on the market. It is taken internally  
in doses from 10 drops to a teaspoonful. It acts  
directly on the blood and mucous surfaces of the  
system. They offer one hundred dollars for  
any case it fails to cure. Send for circulars and  
testimonials.

**Goodyear  
Fortified Tires**  
Cost Users \$5,000,000 Less

Our last price reduction—  
made February 1st—will save  
Goodyear users about five mil-  
lion dollars this year. And that  
was our third reduction in two  
years, totaling 45 per cent.

**Yet Note This**

Yet Goodyear Fortified Tires  
embody many extras. Five are  
costly features found in no other  
tire. The rest are found in few.

If we omitted those extras, we  
could save on this year's proba-  
ble output \$1,635,000. We  
could add that to our profits, yet  
Goodyear tires would look as  
good as now.

This year's  
improvements  
alone will cost  
us \$500,000  
this year. All  
to give you ex-

tra wear. And we shall spend  
\$100,000 on research this year  
to find more improvements still.

**They Are Yours**

These extras belong to you.  
They mean less rim-cuts, less  
blowouts, less loose treads. They  
mean more rubber, more fabric,  
more mileage, less trouble. Most  
tire users know that, so Goodyear  
tires far outsell any other.

Prove it yourself this sum-  
mer. It will bring you tire con-  
tentment.

Any dealer, if you ask him,  
will supply you Goodyear tires.

Men are now  
adopting Goodyear  
tires faster  
than we can sup-  
ply them. We  
have never seen  
anything like it.
